Lisa, I just wanted to inform you that Cora reached out the PD Office in Farmington and they indicated that they would not be providing counsel to parolees and that their Director had sent a written correspondence of their position. I gave her guidance to still follow our procedures and fax over the PD application on applicable cases.

Thanks, Don

I spoke to the PD she indicated she received direction from her director that they will not be providing counsel to parolees. Further she said her director had sent our department a written correspondence of their position

Cora, before I raise the issue have you confirmed the PD received the letter from Director Precythe? Have you had any discussions or meeting concerning our new violation process? If not you may want to reach out to them.

Thanks, Don

Lisa: Bennett requested a public defender for his preliminary hearing. I received notification yesterday that it is set for 4/9/2019. I received this from the PD upon return from training.

Hi Cindy-

It is the position of MSPD that we do not represent individuals in parole violations.

Thank you-

Stephanie
